## Time for Fall Cleanup

Break out the brooms and get ready for this year's Fall Cleanup Oct. 18 to 22 on Patch Barracks and Panzer Kaserne, and Oct. 25 to 29 on Robinson and Kelley barracks. Organizations are requested to release civilian and military personnel living in government quarters for housing area cleanup on the following days: Oct. 18 (Patch Barracks), Oct. 20 (Panzer Kaserne), Oct. 25 (Kelley Barracks) and Oct. 27 (Robinson Barracks). Oct. 19, 21, 26 and 28 respectively are make-up and junk days.

Each installation will have collection points for the disposal of oversized items, such as home furnishings and wood (to go in large orange containers) and scrap metal (for large blue containers). Appliances and electrical equipment, such as televisions should be placed next to the containers, not inside. Hazardous materials such as paint, chemicals and automobile batteries, must be taken to your installation coordinator's office for disposal.

Oversized trash can be dropped off at the following locations: Patch Barracks, IC's Office, building 2316; Panzer, across from the bus stop adjacent to building 2953 (by Military Clothing Sales); Kelley, Directorate of Public Works, building 3360 (behind the bowling alley); and on Robinson Barracks, next to building 168 (the Community Club).

Hazardous materials can be disposed of at: Patch Barracks IC's Office, building 2316; Panzer IC's Office, building 293; the Directorate of Public Works, building 3360 on Kelley Barracks; and at the old theater, building 145 on Robinson Barracks.

### Construction on Kelley Barracks

The current construction to upgrade a sewer line on Kelley Barracks will soon cause a change in both pedestrian and vehicle traffic. This line exits the Peterson Housing Area near building 3403 and 3404 and the pedestrian foot gate onto Maple Street behind the 6th ASG headquarters building 3315. Construction is estimated to take 60 days.

Maple Street, which is normally one-way from the AAFES Laundromat to the corner of the commissary, will be converted to two-way traffic during the construction. This street will be closed from the area behind building 3315 to the commissary for both vehicle and pedestrian traffic. Please drive slowly and observe all traffic signs. For more information, contact Kelley Installation Coordinator Ty Stearn at 421-2522/civilian 0711-729-2522.

### Soldiers Can Apply for West Point

Applications for next year's West Point class and the U.S. Military Academy Preparatory School are now being accepted from soldiers.

Each year about 200 active-duty soldiers are offered admission to the U.S. Military Academy at West Point, N.Y., or the preparatory school at Fort Monmouth, N.J. Although some soldiers are offered direct admission to West Point, officials say the majority attend the prep school first.

Applicants must be U.S. citizens, unmarried with no legal obligation to support dependents. They must be high school graduates, under 23 years of age prior to July 1 of the year entering USMA (under 22 prior to July 1 of the year entering the prep school), of high moral character and must have a sincere interest in attending West Point and becoming an Army officer.

Soldiers who meet the basic eligibility requirements, have achieved SAT scores greater than 1,000 or ACT composite score of 20 or higher and achieved good grades in a college preparatory high school curriculum are encouraged to apply.

All requirements must be met by April 1 to be considered for an appointment in July 2000. Interested soldiers should contact Maj. Rob Young at 688-5780/civ. 914-938-5780 (stateside) or e-mail (tr9618@westpoint-emh2.army.mil).

Did you know that breast cancer is the most frequently diagnosed cancer in women in America? This year, more than 175,000 women in the United States will learn that they have breast cancer and more than 43,000 women will lose their lives. However, early detection and prompt treatment can significantly reduce the suffering and deaths caused by this disease.

As part of Breast Cancer Awareness Month the Stuttgart Health Clinic is sponsoring several

activities to promote awareness in our community.
